Invitation

Dear Friends and Colleagues,

It is a privilege to invite you to the International Academy of Pathology - Indian Division (IAPID) Mid-Year Teaching Program, hosted by the Department of Pathology at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow.

We delve into a complex and evolving frontier of medicine: **“Decoding Autoimmune Disorders: Unveiling Through Live Microscopy, Case-Based Discussion, and Immunodiagnostic Techniques.”**

Pathology is the cornerstone of clinical diagnosis, and in the realm of autoimmunity, the link between the laboratory and clinical management is vital. Over two immersive days, we aim to move beyond traditional learning. By integrating **interactive live microscopy** and **hands-on demonstrations of Immunofluorescence and Immunoblot techniques**, we offer a rare opportunity to bridge the gap between theory and microscopy.

Beyond the academic discourse, we welcome you to our beautiful city a place where the grandeur of ancient monuments meets modern science. We invite you to experience the legendary Awadhi hospitality, our world renowned cuisine, and the rich cultural landscape of Lucknow.

Whether you are a seasoned expert or a budding Pathologist or Clinician, your presence will enrich our discussions and contribute to the collective wisdom of our fraternity. We look forward to welcoming you to the "City of Nawabs" for a rich academic experience.

Prof. Nuzhat Husain
Organizing Chairperson

Prof. Kiran Preet Malhotra
Organizing Secretary
